

Bible Reading Plan

This simple, timeless plan helps you read through the Bible in a way that suits your pace. You can aim to read the Bible in one year, two years, or read the New Testament twice while reading the Old Testament once. Simply check off chapters as you go. There are no dates, so you can read as it suits you anytime. It is better to build a daily reading habit than to binge-read many chapters and then not read for many days. It is like food. You need some every day to stay aligned with God and getting to know Him.

Tip: It is advisable for new Christians to begin with the Book of John and the New Testament (alongside Psalms and Proverbs) before exploring the Old Testament.

Tracking Idea: All Christians read certain chapters more frequently. To keep track what you have read, underline a chapter the first time you read it. The second time you read a chapter, mark it with a slash (/ or \). On later readings, mark next to it or around it — eventually forming a box or an X to show frequent readings.

A Prayer Before Reading the Bible

Dear God,

Please fill me with the Holy Spirit as I read, so I may understand what You are saying, remember what You teach, and apply it in my life. In Jesus' name I pray.

Amen.
